Golf & Greens:

We hope everyone is doing well and staying safe! We are currently gearing up for a great 2022 golf season.

Please take note of the dates on the 2022 Tournament Schedule attached in the newsletter email and remember there may be changes throughout the year. We are looking forward to a great season with many events on the schedule.

Parents, we are currently working on our Junior Golf programs for the 2022 season and will have that information to you ASAP. Registration for PGA Jr. League will open on February 15, 2022 at PGAJrLeague.com. When you search for the FCC team, you will need to use code FCC 2022 to access the team. Please call the FCC Golf Shop with any questions you may have. We will have more information about this year's season coming out soon.

New merchandise will be showing up the end of February. Come by the golf shop to check it out!

We look forward to seeing all of you on the course!

All the best, Bill Agler & Brian Rich

Food & Beverage:

Happy February! We have been off to a great start this year. I would like to thank everyone who continue to come out and support your food and beverage service here at the Club. The culinary staff and I appreciate the support. Our primary goal is and always will be providing our Members the best food and beverage service possible.

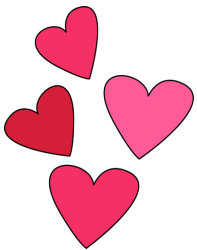

As I prepare this, we began offering Family To Go Meals this week. Our goal is to provide an efficient/cost effective option to our Membership. It is a fast-paced world we live in and convenience is always a good option. If you are on the email list, you will receive an email each week with more info. You can also view the weekly menu on our Instagram page, @fayettevillecountryclub. We will also post the menus thru out the club.

Weekly Specials!!!! Yes, weekly specials are a hit and thank you!!!. We appreciate the support and hope this will continue to bring our Members to the club for a more creative dining experience. Preparing these specials requires more timely preparedness and often difficult to predict how busy we are each night. When possible, please call ahead of time to make a reservation. It sure does assist with productivity and making sure both front and back house are prepared.

I am working on new menus for our regular a la carte lunch and dinner service. Please know that we will do our best to provide something for everyone. We will experiment with some items, add some items, and remove some items. Please know that feedback is essential! Email me at chef@fayettevillecc.com. Do not hesitate to contact me with any feedback.

Lastly, again, I want to thank everyone for welcoming me to the Club. It has been a great start and words cannot express my excitement.

Executive Chef Ryan Clelland
