Dear FCC Members,

Please join us in congratulating Bill Agler, PGA and Brian Rich, PGA for their new positions at the club.

Effective January 1st, Brian Rich will be the new FCC Head Golf Professional and Bill Agler will become our new Golf Pro Emeritus.

Bill suggested in the spring that it was time Brian took over as Head Professional and while not yet retiring, Bill wanted to take a step back from the day-to-day operations of the FCC Golf Program.

As most of you know Bill has had a long and successful career as a Golf Professional in the area and we have been fortunate to have him as our Head Golf Professional at FCC for many years.

Some of Bill's many accomplishments include:

- South Central Section Hall of Fame Inductee 2019
- Sr. Chapter Championship Winner: 2008, 2011, 2012
- Arkansas Chapter PGA Patriot Award 2016
- Arkansas Chapter PGA Bill Strausbaugh Award: 2007, 2015, 2017, 2020
- Arkansas Chapter Junior Golf Leader of the Year 2006

Brian is ready to assume new responsibilities and has all but proven his willingness and ability this past season. Brian is a Class A Golf Professional and has achieved TPI Level 2 Golf Certification. He has already been a major contributor to our growing golf operations. Some of his major contributions have been through our Junior Golf Program and in bringing new technologies such a Golf Genius and Trackman to the club. Brian's leadership during tournaments has allowed us to dramatically increase participation while improving the overall experience for the players.

While Brian's role and responsibilities as Head Golf Professional are easy to identify, Bill's new role is to work in conjunction with Brian and the Pro Shop assisting our growing membership and to help run events/tournaments. Don't be surprised to see Bill on the golf course a bit more helping with pace of play, member needs, rulings, or just playing.

Bill will retain the Pro Shop ownership until April 1st. As such, any Pro Shop credit earned prior to that date must be used by then.

Both Bill and Brian are excited about the change and what it brings. Please join us in congratulating both of them.

We are currently working on the 2022 Tournament Schedule and will be releasing it very soon. Please make sure to take a look and make notes on your calendars.

Thank you to everyone that came out during the Christmas Sale this year. Most of the merchandise in the shop is gone and we are ready for the new shipments to start arriving in late February.

Any credit won during the Grinch in December must be used by February 28, 2022.

Thank you again for all the support!

Super Speed Golf

Would you like to increase the distance you hit your driver by 15-20 yards? Join Brian for a six-week speed clinic this offseason and increase the distance of every club in your bag!

SuperSpeed Golf has developed an overspeed training program that will not only help increase your clubhead speed but will also help you with your overall swing sequencing. During this six-week clinic you will meet as a group for 30 minutes to go through the training protocols.

The six-week clinic costs \$350 which includes your very own Super-Speed Sticks (\$199 value) and six, 30 minutes lessons on speed training. Please be aware that this is not a new technique that translates to swinging faster, we are teaching your body to swing faster.

This program is for players of all ages; juniors, seniors, male, female, everyone is welcome to participate. Each age group and demographic will have their own personalized SuperSpeed Sticks made to suit them the best.

Happy New Year!!! And what an exciting New Year it will be. After being here a couple weeks now, I want to thank all of the members and staff for welcoming Anna and I. We truly are grateful to be back in the great state of Arkansas and you all strengthen our commitment with your kindness and hospitality.

I look forward to providing our membership an excellent culinary destination here in Fayetteville. I am excited to get things rolling. The kitchen staff did a tremendous job keeping things together during the interim time. I am certainly excited to work with them to be the best culinarians Fayetteville has to offer.

2022 will see many changes. I want to let all members know to PLEASE know that this will be a work in progress, take time, and I would greatly appreciate any feedback you all may have. It is your club and we want to create a very versatile culinary experience for all of our membership to enjoy. Again, thank you so much for all your kindness.

Burns Supper celebrates in words and music, the immortal memory of Robert Burns and Scotland's heritage. The first recorded Burns celebration was held in 1801, when a group of his good friends gathered — and so was born the legendary “Burns Supper.”

Join us as we honor and celebrate Scotland's national bard in words and music; you'll learn how a Scotsman that died at age 37 and 224 years ago still impacts US Culture to this day.

The evening will begin with a Reception and Whisky Tasting at 6pm and then everyone will follow the Piper to dinner at 7pm.

A Toast to the Lassies with Humorous Response delivered by the Lassies. Our only Scottish Member and his lovely Irish Wife will host and talk us through the proceedings and Emcee the evening's events.

Dress is Smart-Casual. Kilts and a little bit of Plaid/Tartan is Welcome.

Reserve your tickets for a wonderful evening in true Scottish style and tradition!
