Notes from the Pro:

Goodbye June & hello July! June was packed with fun! We had the Steven Arnold Member Guest & a great time was had by all! We also held our first of two Junior Camps and it was a huge success! Our second camp is July 8th-12th and you may sign up on the website or call the Pro Shop. The cost is \$150 per Junior. Please pay in cash or a check made out to FCC Junior Golf. Payment is due by July 8th.

Scotch Foursome is in full swing and fun is being had by all! The Chic Pic was rained out, so keep an eye out for the rescheduled date.

PGA Jr. League has had a couple of rain outs as well, so look for new dates.

Our annual Men's Match Play is on July 5th-7th. Sign up on the website or call the Pro Shop. We will be sending an updated list of sign ups. You do not want to miss this fun event.

The FCC 4 Ball Invitational is coming up the last weekend of July. Thursday, July 25th will be the practice round. The course will not be closed. Tee times will be required for all members, players and guests.

REMINDER: The Driving Range will close 1 hour before sundown with the exception of Sunday & Wednesday evening where it will close a little earlier so Brandon's staff can mow the range. The course & driving range is closed on Mondays. We will see you in July!

Weekend.**

GOLF & GREENS

Golf & Greens:

Summer is officially here and with it comes the heat and humidity. To combat the elements, it is important for us to do everything we can to give our greens a fighting chance. Air movement across the putting surface is extremely important to the survival of bentgrass in the summer. This air movement allows the plant to use the soil moisture and through a process called transpiration, the plant cools itself. While many of our greens get plenty of air movement naturally, we do have several areas that need assistance from fans. Our club has made a big investment in electrical work and in fans over the last few years to help some of these greens. Last fall we ran about a quarter mile of new wire to supply power for a fan on 2 green. We hope to have this fan up and running in the next week or so.

The maintenance staff will also be venting greens every few weeks throughout the summer. The result of this process leaves small slits in the greens. These slits allow for air and gas exchange in the root zone and have minimal effect on ball roll unlike a conventional aerification.

Of course this is also the time of year you will see our guys hand watering the greens with a hose. We use moisture meters to check the volumetric water content in the root zone and then we will add water to the areas that need it. We realize this is a nuisance at times and do our best not to interrupt play. Sometimes this is unavoidable and it is important to remember that our greens waterers have the right of way on the greens. We appreciate players waiting until we clear the greens before you hit your approach shot. Thank you for your patience on this matter. The good news is that the greens are in great shape heading into the summer months. Our staff has done a good job of preparing them for the heat and humidity that July and August will likely bring.

One last note: the new tees on numbers 6 and 9 are growing in nicely and we anticipate opening them for play next week in advance of the Match Play tournament. The new tee on 6 adds about 22 yards to the hole and the one on number 9 adds 24 yards. We will rotate the gold tees between the current back tees and the new tees.

I look forward to seeing you on the course.

- Brandon Nichols, Golf Course Superintendent

2019 Fayetteville Country Club Junior Play Day

Golf is meant to be a fun sport that can be played for a lifetime. It can be taught and enjoyed at an early age and it provides great life lessons along with teaching the importance of integrity. At Fayetteville Country Club, we strive to provide a junior golf program that encompasses the spirit of the game in a non-intimidating and fun environment. We offer programs for children as young as 4 and up through the teenage years. At this young age, the very basic fundamentals are taught and as they grow older, the instruction slowly gets more advanced, but never does anything take more precedence than fun!

\$50 per player includes group instruction, bag tags, t-shirts and awards dinner for player and all family members (\$35 for each additional sibling). Access the registration form through Golf Genius on the FCC website. Payment will be charged to your account.

Required Parent Participation

In order to make our program a success, your participation is crucial. Parents are required to volunteer or provide an appropriate substitute for at least 2 course play dates during the program to walk and score a group of juniors. This group will not include your child. After completing each round, a scorekeeper will be required to turn in his/her scorecard to the pro shop. Recorded scores aid the staff in grouping juniors of the same skill level together and will be used for awards.

FOOD & BEVERAGE

Chef's Cravings:

I hope everyone is having a great summer! I can't believe it is already July! We have been staying busy with events and the pool! We are looking forward to the festivities on July 4th and of course the 4 Ball Invitational at the end of July!

I thought I would share another one of my favorite recipes this month. Homemade Tater Tots, a delicious creation, and who doesn't like tater tots!

Homemade Tater Tots

First, you will need the following ingredients:

4 Russet Potatoes

Flour

1 Tbsp Salt

2 Tsp Pepper

1 Tsp Garlic Powder

1 Tbsp Parsley (Optional)

Boil your potatoes until they are almost done, but still a bit undercooked. Let them cool. Then grate them with a hand grater or mechanical if you have that. Use the bigger shredding holes for this so you have the real feel of a tot.

After the potatoes are grated, spread them out and season with salt, pepper, garlic & parsley and a little flour. Try to season as evenly as possible. Lightly mix together, but do not over mix or the potatoes will become gummy. After they are mixed, form them in to tater tot shapes.

Pre-heat your fryer or oil in a pan to 350 degrees. Fry for about 3-4 minutes. Let cool & enjoy!

I look forward to seeing you all at the club!
