CLUB NEWS

Here we go!

Another season at FCC is starting and I'd like to bring everyone up to speed on projects and operational changes. As always, I'm happy to discuss questions, concerns or observations.

We've built two new patios behind the clubhouse with a truly fantastic view of both 9 and 18 greens, the surrounding mountains and amazing sunsets. I think you'll find the furniture inviting and comfortable with cushioned seating arranged in groups; one of which around a beautiful fire table.

The seating makes for a comfortable spot to enjoy a beverage and conversation and as such, we will serve cocktails on the patio Friday and Saturday evenings starting in Mid-May when we've engaged our Summer Staff. However, since we always serve the existing dining patio, we will try to keep an eye on the area at other times as well but on both those nights, that's the place to be!! With the soft seating, we ask that everyone refrain from smoking.

FCC has purchased beautiful new furniture for the pool deck, pool dining deck, and all of the outdoor patios.

At the pool, we are changing the operation a bit to allow more space in the shade for kids to play games and get a break from the heat. As such, the 'bar' that we've had there in the past will now serve canned items (beer, soft drinks, Gatorade, etc.) with all other items coming from the clubhouse. Compared to years past, the key difference is that instead of coming to you for your order, you will order at the gate; this way, the personnel that concentrated on taking orders will now be utilized to transfer food and beverage from the clubhouse to the pool. When things are slow, we will encourage the staff to walk the deck for orders.

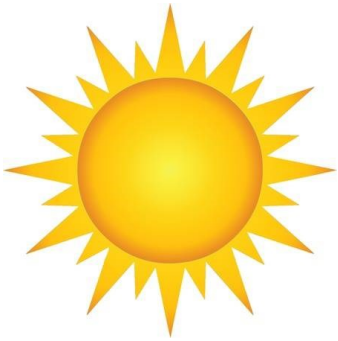

Another change this year is one of policy that required clarification. *Grandchildren of members that are under 23 years of age are still treated as a Member in that there is no Guest fee. However, just like at the Golf Shop, they must be accompanied by the Member.*

For those who REALLY haven't been here in awhile, Kiana left in January to take a position with P&G and just recently, Peter left for Pinnacle CC. I have hired Cassandra Center as Food & Beverage Director and Emilee Hammond as Assistant. Cassandra has been here a few weeks and Emilee starts in Mid-May after graduation. I'm confident they will be a welcome addition to the team!

In closing, I'd like to remind everyone that FCC cannot be a club without you, the Member Family. Please consider recommending your club to friends, colleagues and family so that we can remain a strong, viable operation. An engaged membership stays with their club and we've multi-generational families to prove it, so if there are additional activities or groups that you'd like for us to consider, please let me know.

Best Summer of all.....John

GOLF & GREENS

Golf & Greens:

It's been a busy April for the course maintenance department. Between rain events, we managed to remove the old asphalt/concrete on most of number 13 cart path. We also rerouted a stretch of the path there to present a better look from the tee box. This allowed Tony Blackston's crew to form and finish 1000 linear feet of new cart on number 13.

We also were involved with the construction of the new back patio of the clubhouse. A substantial amount of dirt had to be cored out to make way for the sub base and concrete in this area. Tony's crew did a great job here as well. A special thanks to Dennis Tune for all his help with these improvements. This new area is going to be a tremendous addition to the club and we are glad to be a part of it.

We were actually able to use the dirt from the patio area to go toward the construction of new back tees for number 6 and 9. The new tee on 6 will add approximately 20 yards and the new tee on 9 around 25 yards. The next tee we plan to construct will be a back tee on number 2. It will add around 22 yards and will have a little different line of play than the current tees. The new tee will shift back to the west from the current tees. We expect this new tee to make number 2 a more challenging hole for the longer hitters.

We are excited about these changes and the improvements they will bring. I hope to see you on the course soon.

- Brandon Nichols, Golf Course Superintendent

2019 Fayetteville Country Club Junior Play Day

Golf is meant to be a fun sport that can be played for a lifetime. It can be taught and enjoyed at an early age and it provides great life lessons along with teaching the importance of integrity. At Fayetteville Country Club, we strive to provide a junior golf program that encompasses the spirit of the game in a non-intimidating and fun environment. We offer programs for children as young as 4 and up through the teenage years. At this young age, the very basic fundamentals are taught and as they grow older, the instruction slowly gets more advanced, but never does anything take more precedence than fun!

FOOD & BEVERAGE

Chef's Cravings:

Easter comes and goes, just like every other holiday we celebrate here, but Easter seems to be one of the busiest and wildest ones! We did about 200 for Saturday's Egg Hunt event and about 300 for Sunday's brunch! We hope all the membership enjoyed the weekend and all the kids had a great time finding eggs and seeing the Easter Bunny! Easter was always fun for me as a child. My grandma would make flour footprints all over her house as a trail for me to follow to find my Easter basket! Next up is Mother's Day on Sunday, May 12th. We will be sure to make all the Moms happy out there too, so make your reservations now! It is Spring time, which means everything is blooming and turning green, but also, lots of pollen! I hope everyone is coping with allergy season. I am looking forward to more April showers to wash the pollen away. Hang in there, because it will be summer before we know it! I am mentally preparing myself for 90 -100 degree weather, but the pool will open this month to cool us off and golf is in full swing with our summer tournaments right around the corner!

On another note, on Monday April 29, 2019 I became a married man. We did a small elopement ceremony in Eureka Springs at a place called Treehouses, Caves, Castles, and Hobbits. I'm excited to be a taken man now by my wife, Mariah! In September, we plan to go to Dauphin Island for our honeymoon!

We said goodbye this week to Peter Donovan. Peter accepted the role of Food & Beverage Director at Pinnacle Country Club.
