Special Notes:

If you haven't visited FCC for a while, you'll see the dining rooms have been updated with all new furniture, an experienced Executive Chef, a new menu/creative dinner specials and lots of new staff. The Club dining experience has been greatly elevated and the result is new and unprecedented business levels especially on Friday and Saturday evenings so if you wish to use the club, it's recommended to call for a reservation to ensure space is available. Season is now upon us and the hours are changing to reflect the needs of our growing membership. The Dining Room is now open on Tuesday and Sunday nights and takes orders up until 9pm every day.

I would like to thank Wes Cooper for building our dining room tables. The quality of workmanship is impressive and I'm delighted with the result; they are of much higher build quality/finish than something store-bought so I'd highly recommend contacting Wes should you need a custom piece.

90 Day Notice Required for All Resignations!

Please note Section 9.8.1 of our Bylaws regarding Resignation: All resignations from the Club shall be in writing to the Secretary and shall not be accepted until all dues and obligations of such member have been paid. Golf & Greens

Summer is almost here and the tournament season is underway!

Thanks to all the players that participated in the Breakfast Scramble. We had a tremendous turnout with the crazy wind and rain and hope to continue to grow the event in the future. Congratulations to Craig McCollough, JC Deleon and Alex Neal for winning the First Flight; David Hogue, Matt Benson and Tyler Wheeler for winning the Second Flight; Bob Srygley, Jack Jones and Steve Jones for winning the Third Flight.

Welcome new members! If you have any questions, please call or stop by the golf shop. With the increase in new membership, we have become busier throughout the entire week and would like to remind you of a couple things:

- Denim, sweat pants, and basketball shorts are not allowed on the golf course or practice areas.
- Players must check with the Golf Professionals before starting on any hole, other than #1.
- Please stay on the cart paths on all Par 3's as well as within 50 feet of all greens.
- Maximum number of players in one group is five. NO EXCEPTIONS.
- On Friday, Saturday and Sundays between the hours of 9:00 AM and 2:00 PM, no singles or doubles are allowed to play unless given permission by the Golf Professionals.

Golf & Greens

Spring has sprung and the golf course has really started greening up the last couple of weeks. We are looking forward to some warmer temperatures to really get the bermudagrass growing.

The golf maintenance staff has been busy with the bunker renovation. This project has been quite an undertaking for our crew. It requires the removal of the old sand and liners. Then we have to inspect, repair and/or replace any damaged drain lines in the bunker. Next, the bunker edges have to be reclaimed and adjusted so that we can get proper depths of sand and gravel in the cavity. After this work is complete, we can add back the drain gravel and then finally the white sand. We have removed and replaced over 1100 tons of material at this point in the process with 28 of the 45 bunkers back to a playable condition.

Our goal when we started the project the first week of March was to finish before Member-Member the first weekend in June. We still expect to meet our goal despite some challenging weather that has created some delays on occasion.

We are really excited about this tremendous upgrade to our golf course and ask for your patience as work toward completing the work over the next few weeks. As the season goes along, we will continue to have to make minor adjustments to sand depths and the bunkers will continue to firm up some as they settle in.

I would like to mention what an incredible job our Assistant Superintendent Clark Carroll, Emilio Sanchez and Juan Carlos Perez have done in heading up this work. These three are really good at making sure things are just as they should be and leading the rest of our hard working crew. A project of this scope would not be possible to do in house without employees like these.

Finally, I want to thank Anne Butt, Vicki Parker, and Melinda South for all their hard work on the landscaping and ornamental plantings around the clubhouse and throughout the golf course. They take great pride in the appearance of our club and have been so kind to volunteer many hours pulling weeds and planting new plants. Thank you ladies!

We look forward to seeing you on the golf course!
