CLUB NEWS

Christmas is right around the corner!

This month you will notice there is a charge on your statement in the amount of \$35.00. The charge appears on every member's account and will go toward our annual employee fund to be divided among our wonderful employees who serve you each and every day. The employees will benefit greatly from this contribution. Employees will receive their Christmas bonuses around the 1st of December.

Please know that you have the option of removing the charge from your account by simply returning the form with your payment, via mail or email to kdeans@fayettevillecc.com by **November 20th**. The amount can also be increased or decreased at your discretion.

We hope that you will join the Board of Directors and support this effort.

Thank you in advance for your support!

MEMBER HOLIDAY PARTY

kdeans@fayettevillecc.com

GOLF & GREENS

Notes from the Pro:

We just finished the Chilirhea Event on Friday the 19th. 38 brave teams fought through some pretty rough conditions for a good cause.

Our 2018 WGA Women's Stroke Play Champion is Elizabeth Dixon. Congrats Elizabeth on your victory!

Please note: Driving Range Tee will be closed one hour before sundown, which is now 5:30PM.

Remember the time changes on November 4th. It is time to Fall Back, but Golf Season is still in full swing! The golf course is as good as it has ever been, please come and check it out for yourself.

Our last event for the year will be our Snow Ball Best Ball Grinch Team Golf Event the first week of December. Stay tuned for more information on this.

Thank you for a great 2018!

after! Reservations Required.*

GOLF & GREENS

Golf & Greens:

The recent fall cool down has allowed us to turn our attention from mowing Bermudagrass to completing some other projects. The first of which is switching out our old irrigation control system to a new system. This new control system will allow for automatic adjustments based on current weather events. We will also be able to make adjustments to programs from our office computer and even from our phone. Not only will it be convenient and a time saver, the system will help us build programs to run our pump station at maximum efficiency for shorter periods of time resulting in energy savings and prolonging the life of the pumps. In addition to water, energy and time savings, the system should allow us to provide more consistent playing conditions.

Interestingly, while doing some digging to install the controller behind 9 tee, we found a horseshoe. I would guess it has to be close to 100 years old at least. The horseshoe will be nailed above the maintenance shop door. I will keep you all informed of the good luck we encounter in the coming months.

Next week we plan to begin installation of the power wire to number 2 green. This will allow us to install a fan on that green to improve air circulation. These fans are game changers on the greens where natural air circulation is limited. This past summer was the first really hot and humid one we have experienced since installing the big fans on 3, 13, 14, and 15. What a tremendous difference they made. The fans helped to turn some of our most challenging greens into some of our best ones.

Finally, make sure to try to make it to our golf forum on November 14. This will be a great opportunity to share any thoughts about FCC golf and hopefully we can answer any questions you might have about what is going on with the course, tournaments, etc. I hope to see you there.

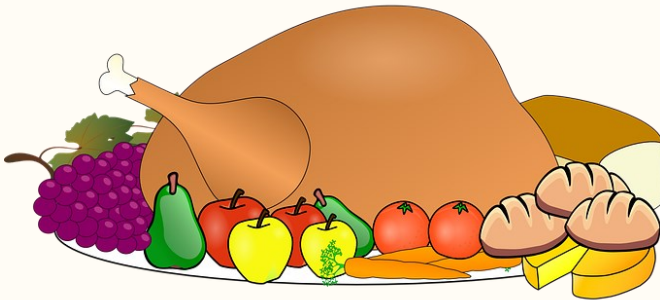

- Brandon Nichols, Golf Course Superintendent

FOOD & BEVERAGE

FOOD & BEVERAGE

Chef's Cravings:

Happy Halloween! Well you're probably reading this after all the Halloween festivities at the club, but Happy Halloween anyway! It is definitely one of my favorite times of the year because I'm into all the spooky stuff. I'm a horror movie fan in general, but October gives me an excuse to binge watch all of the horror I can. Really, anytime there are fall colored leaves on the ground, chances are I'm watching horror.

In other news, it's that time again to change up the menu. We will be returning to a 2 page menu for dinner service which will include steaks, fish, pasta, and all that good stuff. You will probably be seeing butternut squash around here for a while longer as it's one of my favorites to over utilize during the season.

My most important message this month is make sure you're being sanitary because it is flu season as well as all those other bugs. Washing hands is key, I figured out the doctors weren't lying when they told us that. Stay clean, stay away from sick people, even if you love them. You can quarantine your loved ones when they're sick, trust me I do. We will be very careful in the back of house as usual, but with extra caution during this season.

- Chef Levi Zindl

Chef's Table
