Notes from the Pro:

August was a quiet month for the FCC Golf Shop with no major tournaments on the schedule but September will be the complete opposite! Please make sure to read over all the events that will be coming up so that you will know when the course will be available for play.

September 2nd and 3rd, the FCC WGA will be playing the Lyall Cup.

September 5th and 6th, the FCC Stroke Play Championship will be played. If you have not registered for the event please call the FCC Golf Shop. The course will be closed to members not in the event until 1:00 PM.

September 8th, Farmington High School will be hosting a match in the morning starting at 9:00 AM. The course will be closed to all members until 3:00 PM.

September 18th-20th, the Steven W. Arnold Member/Guest will be played. We have 90 teams registered for the event which is very exciting. The course will be closed to members not in the event all day Friday, Saturday and Sunday.

September 21st, Brandon and his crew will be aerating the greens.

September 29th and 30th, the FCC WGA will be playing their Stroke Play Championship. Players will be teeing off #1 from 9:00 AM until 10:30 AM. If you are interested in playing in any upcoming events, please reach out to the FCC Golf Shop for more information.

Chef's Cravings:

I hope everybody has had a great summer. We all seem to be adjusting to the new, everyday lifestyle and it definitely hasn't kept our membership away. It has been great seeing everyone golfing, swimming and eating! We are glad you feel comfortable coming out and enjoying the club. We appreciate you keeping us all going! We will be picking up some in September with more golf events and activities to do with everything slowly opening back up.

It is finally that time of year, what I consider the true dining season. Delicious comfort food meals and soups simmering away while the fireplace is crackling with the smells of cedar and oak wood burning. Prime Rib night will be back this fall and I would love to start doing more of a fresh seafood variety. I have great options on different fresh seafood and hope to start a fresh seafood night once a month. I plan to debut the new dinner menu in September. It will feature: Sesame Tuna, Baked Shrimp Scampi, Spaghetti and Meatballs, Chef's Steak of the Night, Pasta of the Night, and a few more options as well as the club favorites. I have had many requests for the Sesame Tuna to come back so will offer that as an appetizer and even an entrée for a few dollars more. The steak of the evening will vary depending on the market and what we have in current inventory. The steak and pasta of the evening will serve as specials day to day or even for the full week. I enjoy coming up with the daily specials and love making fresh pasta! Of course if there is an entrée or special that you would like to see or I have run in the past that you want to see again, feel free to get in touch with me and maybe we can put it back on the menu or for a weekly special!

Stay safe and healthy! I look forward to seeing all of you at the club!
