## Chef's Cravings:

As summer and the pool season come to a close, it becomes time for me to start working on some changes to the dining menus. As much as we all love the chicken tenders, cheese curds, mac and cheese, and all those delicious items, I have to shift my focus to what items are selling. The menu that I have now has been the most consistent selling menu in my time at FCC. Everything is fairly equal in sales to a certain extent. The top sellers that will remain are the Masters Chicken, Blackened Chicken, Southwest Wrap, and Carne Asada Tacos, but we plan to replace/add some new items this fall.

We have started working on a new recipe for Curry Dip/Sauce, this will replace the Spinach Dip. We feel it is time to switch it up and try something new and different. Our curry dip will be house made and served with Naan Bread for dipping. We are currently testing the recipe to get it right for the menu but the goal is for a nice bold curry flavor and mild to no heat, more sweet than heat. That's just one sneak peak at a new item coming. As for items that I would like to replace...Pork Bao Buns and Pork Belly tacos, only to make room for new items that I am still working on and testing. We are just in the beginning stages with lots of ideas. Keep on the lookout for some new items.

I feel like the pool season was a successful one. We stayed busy and summer felt like it flew by. Although "summer" isn't quite over as we are in Arkansas and it will most likely be warm till November! We still have the Member/Guest tournament to look forward to at the beginning of October and then maybe it will feel like summer is officially over.

I hope everybody has a fun and safe Labor Day!

### **\*\*Reminder\*\***

Please make sure to check into the FCC Golf Shop before starting play. We are having an issue with players jumping out to #10 or other random holes on the course because of a wait on the #1 tee box. This is impeding the maintenance staff from properly preparing the golf course and also disrupting the play of other members who are already on the course. Starting on holes other than number #1 without Golf Professional approval will not be allowed.

Fridays, Saturdays and Sundays/Holidays, Singles and Twosomes may play before 9:00AM and after 2:00PM. All other times will require minimum 3-5 people. Please let faster groups play through when possible.

If you have any shop credit, use it before December 31, 2021 or you will lose it on January 1, 2022. If you had a guest win shop credit in the FCC Four-Ball, they will have until October 31, 2021 to use it. We are currently receiving new shipments of fall apparel so stop by the FCC Golf Shop to stock up today!

All the Best,  
Bill and Brian
