Chef's Cravings:

After a long and successful 4 ball weekend, we hope all the members involved had a tasty and fun time. This was my 3rd time doing the 4 ball tournament and I was happy to hear all the positive feedback as far as the service and food goes. It's always a pleasure to be out front carving and being able to interact with the members. I couldn't have done it without the help of my talented kitchen staff and awesome front of house staff as well.

On another note, we now have our pasta roller and are very excited about making fresh pasta! Prior to getting the proper equipment, I was using a rolling pin, which works well, but having the actual pasta roller is magic compared to this. We have been using the same King Arthur Enriched flour for pasta which is also what we use for our house made dinner bread, which makes for a better product. I'm currently studying up on this and what I can do to make it the best for our members. It's a very fun part of cooking for me.

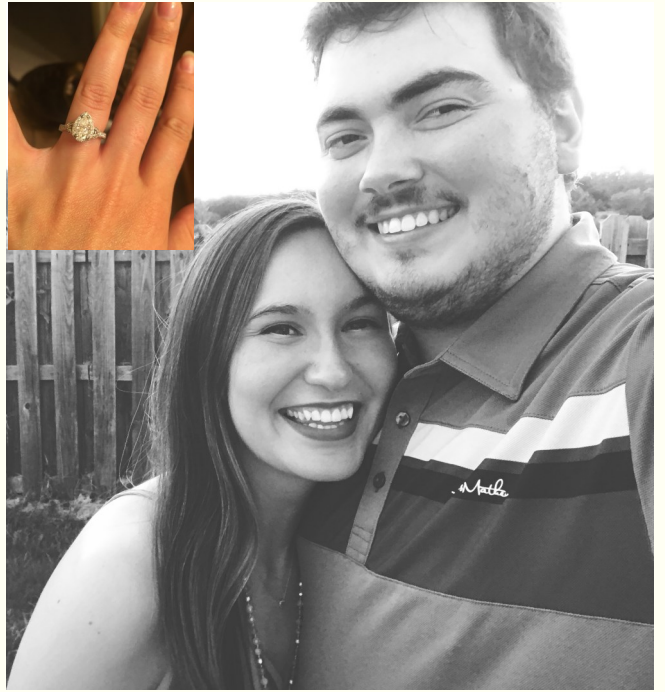

Overall I'm really enjoying the evolution of the kitchen here at Fayetteville Country Club. In my opinion this kitchen and our food is far better than what it was when I started here two years ago and prior to that. My staff and I want to keep bringing the best meals we can to the table for our membership.

Wedding bells are in the future for one of our own! Congrats to Kiana who's boyfriend proposed to her on her birthday, July 13th! We wish you and Riley all the best!

Peter's Ponderings:

As my pappy always told me; "sometimes in life, stuff happens." Such was evident at the pool July 4th when we had to close it down due to an "accident" in the baby pool. Biggest pool day of the year so, of course, right? A word of thanks to the many members who understood our obligation to enact policies set by the Health Department when such things occur. The intermittent rain showers throughout the day posed a threat to the firework show, but the skies cleared long enough for a spectacular display in front of a great crowd. Overall, a great July 4th weekend.

Peeking ahead, August is here, which means you'll see less of the familiar faces that have been serving you this summer as school beckons, but you'll be happy to know we will retain the services of many of the students through the fall. Chef Levi will be adding more local farm-to-table menu items and look for specialty dinners and wine tastings in the upcoming months.

"Head Up The Hill" should be the slogan used by the members that live a few miles from the club. We're giving you great reasons to come up; great food and service, friendly staff, reasonably priced wines (lower than anyone around), fantastic golfing experiences, in an environment surrounded by fellow members who are also enjoying the privileges that only membership can grant. When "stuff happens" in your life, Head Up the Hill, and for a time, we'll make everything better.
