GOLF & GREENS

Notes from the Pro:

August is here and that means we are half way through the tournament season and hopefully only few more weeks of hot weather. July was a very busy month for us with the Men's Match Play Championship, the FCC 4 Ball Invitational, Ladies Flag Day and the end of PGA Jr. League.

Congratulations to JC Deleon for winning the Match Play Championship, JC Deleon and Craig McCollough for winning the FCC 4 Ball Invitational and Vickie Parker for winning the Ladies Flag Day tournament.

We would like to say a special thanks to all the PGA Jr. League players and parents this season. We had just under 50 total players for all three of our teams. The ACES finished 2nd place and the Angry Birdies finished 4th place in their leagues respectfully. We are looking forward to more growth in this program in 2020.

The Ladies Classic will be August 7th – 8th with practice rounds on Tuesday, August 6th. They will be going off with a shotgun starting at 9:00 AM each day with the course opening up after 3:30 PM for member play.

The FCC Member-Member is August 23rd – 25th, on Friday August 23rd the course will close at 5:00 PM for a 5:30 PM shotgun start. Saturday and Sunday the course will be CLOSED ALL DAY. Registration is open on the website or call the Pro Shop.

Thank you,

Golf Professionals: Bill Agler & Brian Rich

August 26th: FHS Match.

GOLF & GREENS

Golf & Greens:

This is usually the space where I mention how the weather has recently been too hot or too cold, or too wet or too dry. I am sure it will change soon, but you will hear no complaints from me about this summer's weather. It has been about as good as it can be from a turf manager's standpoint. Timely rains and mild temperatures have been good for the golf course and it shows. Turf conditions on the greens, tees and fairways are really good for the 1st of August and the forecast continues to look good. We will take it when we can get it.

The golf course is not good just because we have had good weather. We have a great group on our staff this season and it is appropriate to mention them for all their hard work. A few of them are getting ready to start back to school soon and I did not want to miss a chance to recognize them. Owen Moore, Brace Collier, Hayden Woodall, Parker Galbraith, Nate Mooney, Logan Smith, and Nathan Smith have been an outstanding seasonal staff this year. A few of these have been with us a couple of years now and we were really glad to have them back this year. Of course, I would be remiss not to mention Assistant Golf Course Superintendent Grant Harvey, Dan Badell, Emilio Sanchez, and Juan Carlos Perez. These guys are a hard working and dependable team that make every effort to create the best possible playing conditions at FCC on a daily basis.

We were finally able to get some topsoil last week and have plans to continue work on the new back tee on number 2 over the next few weeks. We also plan to start work on a forward tee on 16 soon after. Hopefully the weather will continue to cooperate so we can finish some of these projects.

I hope to see you on the course soon.

- Brandon Nichols, Golf Course Superintendent

FOOD & BEVERAGE

Chef's Cravings:

This year was my 5th time doing the 4 ball invitational tournament and each year it seems to get easier. This is due to many factors, and one being that I now know what the biggest hits are on the menu and shrimp is definitely the MVP. This year everyone collectively ate 160 pounds of shrimp! Pat yourself on the back because that is a lot of shrimp! Granted, Thursday we had fried shrimp and I probably ate a pound of that myself...I had to make sure it was just right for all of you! Friday is also a big seafood night and we had oysters, crab, shrimp, and swordfish. Once again shrimp was still the biggest hit. Oysters came in second and the best way to eat an oyster is with cocktail sauce and lemon juice on it, and then slurp it down.

Another reason 4 ball is easier is the fact that over the years my staff has become better. I have hired a great group of people back there who are trained and who care about food. A lot of people do this job for a paycheck but if you really care and want every bite of food to taste good, that makes you different than the rest, and that's what we look for.

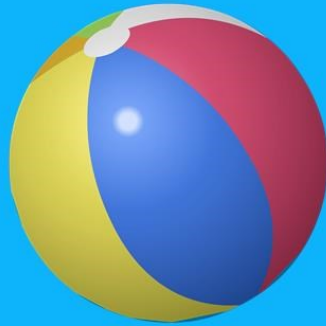

Well, we have blasted through the halfway mark of summer and on to August for the Ladies Classic and Member/Member golf tournaments. I hope everybody has enjoyed the food and service thus far. Very soon I will be removing a couple of items off of the menu such as the wings, fish and chips, and the chicken Caesar wrap. I have a few ideas brewing for the replacements and one is a Catfish Po' boy. Catfish seems to be a bit more of a favorite than cod, so I am thinking to bring that back. I am looking forward to working on the menu and some changes to shake it up a bit.

We look forward to seeing you around the club!
