## *Notes from the Pro:*

Spring is almost here and we are looking forward to that warmer weather! Stop by the FCC Golf Shop and gear up for the 2020 season.

We received our new shipment of FootJoy shoes including the new Flex XP, Pro SL Carbon, Superlite, and FJ Conture. Ribby apparel is here just in time for the Razorback Baseball season including vests, pullovers and polos. This year we are welcoming Travis Mathew to the FCC Golf Shop and can't wait to get their spring collection in March.

PGA Jr. League registration is open at [PGAJrLeague.com](http://PGAJrLeague.com). In order to register for the FCC team, you will need to use access code: FCC 2020. FCC is looking forward to the 2020 season and we need your help to continue growing the program. This easy and fun, team-oriented way to learn and play golf is a great way to get your junior golfer started in the game of golf. Feel free to reach out to Bill or Brian in the golf shop for more information on the program. There will be a Player and Parent meeting on March 10<sup>th</sup> at 6:30 to go over the upcoming season.

Registration for the FCC Kick-Off Scramble is open online at [Fayettevillecc.com](http://Fayettevillecc.com) or by calling the FCC Golf Shop. The scramble will be on April 4<sup>th</sup> with a \$60 entry fee per player, which includes lunch and prizes. For more information about the event please call the FCC Golf Shop. We hope to fill this event up to help support the MGA and bring everyone together to kick off the year.

- Golf Professionals: Bill Agler & Brian Rich

## *FCC Members,*

*The Arkansas State Golf Association (ASGA) increased our handicap fee price by \$15 and as a result, you will notice the fee amount charged to your statement is now \$50. We wanted to make sure you were aware of this increase and let you know that it wasn't done arbitrarily.*

*If you have any questions please contact Bill and Brian at the FCC Golf Shop.*

*Thanks,*

## *Golf & Greens:*

While it hasn't felt much like it lately, spring is right around the corner and the golf maintenance staff is ready to get the season started. Currently, we are working on applying our spring weed control for spring and summer annual weeds. The recent rains have been a challenge to work around, but we hope to have this application completed in the next week.

On Monday March 9<sup>th</sup>, we will be aerifying our greens, if the weather allows. If we get rained out, we would move the process back to Tuesday March 10<sup>th</sup>. I will not take up this whole space explaining all the benefits of aerification, but suffice it to say, it is critical to the health and success of our putting green turf. It is a short term inconvenience for the long term benefit of the greens.

In last month's newsletter, I mentioned our cart path project that we are working on. Since then we have completed the removal of the cart paths on the second half of number 2, and nearly the entire cart path on numbers 4 and 18. We will pour concrete on those areas when the weather allows. Holes 10 and 11 are next on the list after those areas are completed. Again, we want to send a big thank you to Dennis Tune and Tune Concrete for all their help with this project.

This winter has certainly been cold and dreary, but we have not experienced any extremely cold temperatures (knock on wood). So we do not really expect to see much, if any, winter injury to our warm season turf. And after a great growing season last year, we expect our turf to be great shape coming out of winter.

Let's hope for some warm weather soon and all the great things spring brings. We look forward to seeing you on the course.

## Chef's Cravings:

Spring will be “springing” soon enough! I’m always bummed to see winter go, but it’s also nice to see the world turning green again. I’m a cold weather guy through and through but we never truly get that winter that we used to, meaning zero actual snow storms. I can remember always having snow during the winter five plus years ago but in this last decade the snow fall and true winter feel is disappearing. I’m not giving a global warming speech or anything but it’s obvious something is changing in a major way. Maybe we will get that freak March or April snow storm; that would be amazing!

Anyways spring “springing” means a few things: nicer weather, more golf, and a full club! I am starting to work on a true dinner menu rather than weekly specials. I will still have dinner specials but we will also have a permanent selection of a few entrees such as ribeye steak, pasta dishes, seafood, etc. You will be seeing that menu sooner than later, as well as the addition of a Rueben Sandwich on the menu using Broyles Corned Beef. We also have the Ammunition Wine Dinner coming up on March 14<sup>th</sup>. Be sure to come out to that, you won’t want to miss the delicious food and wines. So those are a few things we have going on food wise up here, and of course I will be working on the pool menu soon as well, since that season is right around the corner!
